Sir,

fl B

With reference to your letter No. L^d 8938/A 116-26-4 dated the 21st June 1927, stating in the matter of exempting genuine handspun khadder imported into Shimoga Town from Octroi duty that a bye-law might be framed by the Municipal Council in this behalf and that definite proposals might then be submitted for the sanction of Government, I have the honor to state that the Municipal Council considered the question at their meeting held on 31st October 1927 and proposed a suitable amendment to the existing rules to admit of genuine handspun khadder being exempt from Octroi duty provided that the goods imported are got duly stamped and necessary statistical information is furnished therefor.

A notice also was issued by the Municipal Council calling for objections to the proposed exemption and there were no objections raised against the proposal.

A copy of letter No. 812 dated 14th February 1928 together with those of the enclosures thereto received from the President of the Municipal Council is submitted.

It is requested that sanction may be kindly accorded to the resolution of the Municipal Council and order issued accordingly.

I have the honor to be,

Sir,

Letter dated 17th December 1927 from Mr R K Jayatirthachar, Hon Secretary, Khadder Co-operative Society Ltd, and District Spinners' Association, Shimoga, to the President, Shimoga Town Municipality.

With reference to notice dated 17th November 1927 published on page 953 of part II A of the Mysore Gazette dated 15th December 1927, I wish to draw your attention to the para marked (4) in the 5th column i e, under the heading "2 exemptions" one phrase used there is "consigned from all India Spinner Association Branches in them"

(1) As it is now worded, this means that only khadi which is consigned from the All India Spinners' Association or its branches will be exempt from the payment of Octroi. There are numerous organisations which are not branches of the said organisation, but yet deal in handspun and handwoven cloth and have been certified to be dealers in handspun and handwoven cloth. The All India Spinners' Association is itself alone neither producing nor selling all the khadi produced and consumed in India. In fact a large production of khadi is produced and sold by private organisations which do not come under the denomination of "All India Spinners' Association or branches thereof"

I recognize no doubt the underlying idea that only genuine khadi should be exempt from the payment of Octroi and that no spurious stuff should escape under cover of this exemption. I suggest therefore a modification, viz, that "obtained from the All India Spinners' Association, its branches, its khadi Depots, or Vastralayas or any person, persons or associations of persons certified by the said Association as dealing in genuine khadi, i e, handspun and handwoven cloth" be substituted -

(2) I have given above the correct spelling of the said organisation

(3) I suggest also that for "genuine handspun khadi" occurring in the 1st and 2nd lines of the para marked (4) the words "genuine khadi, i e, handspun and handwoven cloth" be substituted

I hope you will agree that these modifications are calculated to facilitate the spread of khadi without unduly restricting the sphere of purchase

Letter No 812 dated 14th February 1928 1928 from the President.
Town Municipal Council, Shimoga, to the Deputy Commissioner, Shimoga
District

With reference to your memo No I 3 C 1041/26-27 dated 25th June 1927 in the matter of amending the byelaws relating to the levy of Octroi duty in the town with a view to exempt khadder from payment of duty, I have the honor to state as follows -

The Council at their meeting held on 31st October 1927 proposed to insert a fresh clause among the exemptions, the proposed new clause being as follows --

"In case of genuine handspun khadi cloth imported by associations recognised by the Council and ~~the~~ consigned from the All India Spinner Association branches, the Council may grant an exemption for specific periods "

A notification calling for objections to the above amendment was published locally as well as in the Mysore Gazette dated 15th December 1927

Mr K A Jayatirtha Char, Secretary to the Local Spinners' Association presented an application on 17th December 1927 suggesting that the new clause be modified so as to extend the concession with respect to the khadder imported not only from the All India Spinners' Association but also from its branches, Depots, Vastralayas or any person or persons or Associations or Firms certified by the Association as dealing in genuine khadi

The question of amending the bye-laws was finally taken up by the Council at their meeting held on 30th January 1928 when the application of Mr Jayatirtha Char was also considered

The Council have resolved that the suggestions of Mr Jayatirtha Char may be taken up for consideration after the present proposed rules have been in force for one year

I request you to be so good as to obtain sanction of Government to the proposal of the Council. A copy of the Council's resolution dated 30th January 1928 together with a copy of the Notification
